Technical details

Art.No.:	643-44 LT
Footprint:	600x400 mm
Height:	220 mm
Folded height:	70 mm
Internal dimension:	570x370x210 mm
Volume:	44 Liter
Space saving:	69 %
Weight:	2,65 kg
Load capacity (stat.):	40 kg
Stacking load (stat.):	180 kg
Material:	PP conductive
Colour:	black
Comments:	Odette label holder integrated on front side, surface resistance of <10 to 5 ohm
Description sides:	closed
Description base:	closed
Handles:	two
Price/piece:	upon request

N.B.:

Specifications are based on the latest technical knowledge and experiences. We reserve the right to amend technical data. Changes to dimensions and weights due to technically restricted tolerances are possible. All load capacities quoted are based on uniformly distributed loads at a temperature of approx. 23°C. The suitability of boxes and containers for storage and transport or other applications with high dynamic loads or other specific conditions must be assessed individually, case by case.
